

# INSTRUCTIONS

## Materials:

- = Printed Zee Zees Halloween bar wrapper sheet
- = Clear tape
- = Scissors

1. First, grab a pair of scissors.
2. Carefully cut along the dotted lines of all three bar wrappers.
3. Position the wrapper in front of the existing bar wrapper. Make sure the front panels match up!
4. Wrap the remainder of the bar cover around the bar. Be sure that the Zee Zees joke is on top of the other end. You don't want to spoil the joke before you can share with your friends!
5. Use tape to secure the wrapper cover onto the bar.
6. Repeat these steps to cover all of your Zee Zees Soft Baked Bars!
7. Pass them out to trick-or-treaters in your neighborhood, bring them to share at school, or enjoy them yourself!
